## **Project Update: September 25, 2014**

### **DPW Construction Projects: Arlington Center Safe Travel Project MassDOT Project File #606885**

The Arlington Safe Center Project will provide bicycle lanes to connect the ends of the Minuteman Bikeway through Arlington Center while improving vehicle and pedestrian mobility. The project also will include roadway pavement reconstruction, sidewalks and wheelchair ramps in conformance with the latest Americans with Disabilities Act (ADA) and Architectural Access Board (AAB) design requirements, improved traffic operations and safety, improved pedestrian access and safety, signs and pavement markings.

Final project design plans have been submitted to the Massachusetts Department of Transportation. The project was advertised on Saturday, September 13 in the Boston Globe with a Bid Opening date of January 27, 2015 at 2:00pm.

It is anticipated that construction work will begin in Spring 2015 and the duration will require a full construction season.

If you have any questions please contact the Arlington Engineering Division at 781-316-3320. Further notices will be provided as necessary and updates may also be viewed on the Town Website, under "Current DPW Projects/Arlington Safe Center Project" at: **[arlingtonma.gov/Public Works/Projects around Arlington/Arlington Center Safe Travel Project](http://arlingtonma.gov/Public Works/Projects around Arlington/Arlington Center Safe Travel Project)**
