### **I. Community Outreach**

- E-bulletin and video (slide show of construction photos) have gone out. Video got over 400 views.
- Schouler Court residents: Skanska has been providing weekly updates (ex. Eversource delay and extended hours, noisy work heads-up), Communication going well so far
- No other proactive outreach seems necessary at this time

### **II. Construction Ceremony Update**

- In-person ceremony cancelled due to COVID numbers. Amy coordinating with ACMI. Will happen 8am on 11/23. Jeff will be present. Beam raising will be documented and Jeff will be interviewed. Amy and Tobey will document with a camera as well. Will take photos that can be released that day.
- Discussed doing something ceremonial (have something stenciled on the column that could be revealed). Kirsi will coordinate this. Will say "1st Steel AHS Nov 23 2020"
- Skanska has onsite photography/video policies that need to be followed. Will be shared and reviewed with ACMI. Amy will follow up with ACMI.
- Skanska will make sure MSBA is aware and offer to have them tape a statement
