

Arlington Bicycle Committee Minutes for January, 2003.

In attendance were board members Jack Johnson, Ron Sender, Stephan Miller, and Scott Smith. Others present were , Bryce Nesbitt, Joey Gushko, Osman Parvez, Pete Howard and Michael Hering.

Jack called the meeting to order at 7:35.
The minutes were accepted as presented.

This will be an abbreviated meeting as The Board of Selectmen will be reviewing a draft of the MDC's plans for the improvement of the Alewife Preserve and Brook. We all wish to attend.

As the first order of business, Jack showed us Joey's pictures of this year's Jingle Bell Ride.

The rest of the meeting was given over to reviewing the warrant article on bicycle parking the ABAC will present to Town Meeting later this year. Jack explained the changes made to last year's article which did not pass. The new article is simpler, shorter and more direct. We all read the article and some discussion followed. Bryce suggested that we delete the introductory paragraph and just state the requirements. Joey gave us an overview of the process of submitting the article. The Arlington Redevelopment Board must endorse it and formally present it Town Meeting.

Jack made a motion to endorse the concept of an amended article. The motion passed unanimously. Jack will incorporate the changes suggested at this meeting and distribute the amended article for comment.

The meeting adjourned at 8:00.
