October 2007 Minutes

OPEN SPACE COMMITTEE
October 3, 2007

Present: Jane Auger, Joey Glushko, Elizabeth Karpati, Leslie Mayer,
David White.

· Most of the meeting was devoted to reviewing the draft of the Open Space Plan. Each member read several sections for typos, pending questions, etc. Joey collected the edits for forwarding to Ralph Willmer.

· Leslie distributed the dates of the upcoming community meetings on the "Green Dog" (specified off-leash hours) proposal.

· Joey announced that (1) Bike racks will be installed in several places around Town including in front of Town Hall. (2) Work on Buzzell field has been halted by the discovery of trash. Apparently this is an old dump site which has to be properly capped and its use restricted to prohibit future development.
