### FINANCE COMMITTEE

During 2005, the Finance Committee was chaired by Allan Tosti assisted by vice-chairs Richard C. Fanning, Abigail DuBois, and Charles T. Foskett. Peter B. Howard served as secretary. The Finance Committee has twenty one positions, one for each precinct. The appointing authority (Moderator, Trust Fund Commissioners Chair, and Finance Committee Chair) acted to reappoint all members whose terms had been completed. Despite an active recruiting effort, two positions remained vacant.

In February, the Finance Committee began its yearly effort to develop a comprehensive balanced budget recommendation for the spring Annual Town Meeting. The budget of each department was reviewed with the department head by one of the subcommittees. The school budget subcommittee attended School Committee meetings in order to gain an understanding of the school budget. Hearings were held on all Warrant Articles which required an appropriation or had a financial impact. Twenty-six full committee meetings were held which, when combined with numerous subcommittee meetings, made for a busy winter schedule.

The Finance Committee's report was distributed at the second session of the annual Town Meeting. In addition to recommending a budget for each department, the report recommended a vote on more than thirty articles. As in previous years, this year's report contained additional information of interest to Town Meeting members including a report from the Comptroller on funds related to the solid waste collection program and the five year budget plans both with and without an override.

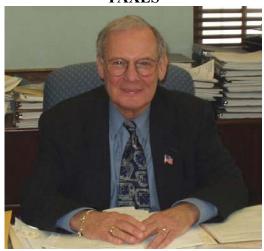

Although the improving economy reduced the pressure on State revenues, the reductions in state aid that had been made during the recession were not restored. This, together with the continued increases in health insurance and pension costs, the draining of the Town's financial reserves, and the restrictions imposed by Proposition 2 1/2 caused continued financial pressure on the Town. Faced with substantial service reductions, the Town developed a five-year budget plan, supported by the Finance Committee. This plan showed how a proposed \$6 million Proposition 2 1/2 override would be used to maintain services over the five year period. Finance Committee report presented two budgets, one with and one without an override. Fortunately for Town services, the citizens voted to approve the override in a May referendum.

The Finance Committee also continued to monitor other ongoing activities that could have a large financial impact. The Finance Committee followed the progress of the school renovation projects, the Reed's Brook project, and the Symmes project through regular reports by the responsible Town officials. The

Finance Committee continued to support the Field Maintenance and User Fee Committee. This committee presented a detailed report to Town Meeting which showed a developing consensus between the user groups and the Town departments with numerous recommendations for future years. The Finance Committee also participated in the Pay As You Throw Study Committee, which developed a detailed report containing several options for Arlington. The Finance Committee decided not to support Pay As You Throw (PAYT) because of the complications it would cause for the override campaign.

Although the five-year plan, funded largely by the \$6 million override, is a big step toward stabilizing the Town's finances, issues remain. One issue is the level of State aid. The five-year plan assumes that state aid will gradually be restored to the pre-recession level. This will require continuous effort by our legislative delegation. Other ongoing issues include funding for the final round of school renovations, the renovation of the Town's fire stations, the increasing costs of health insurance and pensions, and funding the future health insurance liability of retired employees. The Finance Committee will work with the Town to deal with these issues and will keep the Town Meeting informed.

# TREASURER AND COLLECTOR OF TAXES

John J. Bilafer Treasurer and Collector of Taxes (Retired 2005)

Arlington's Office of Treasurer and Collector of Taxes had a benchmark year in 2005.

John J. Bilafer chose to retire after 33 years as Arlington's Treasurer & Collector of Taxes. Mr. Bilafer leaves the Town with a legacy of devoted commitment and dedication to service to the residents of Arlington.

One of the many accomplishments of John Bilafer is Arlington's Dollars-for-Scholars Scholarship Fund Program. Mr. Bilafer created the program and drafted

the special legislation, which is now a model across Massachusetts and the country. Citizen contributions through the Town's tax bill insert have helped improve scholarship availability to our young students. Continued support is needed and appreciated.

Although Mr. Bilafer was eligible to retire several years ago, he instead chose to continue to serve the residents of Arlington, doing the job he truly loved. He has left a legacy of great accomplishments and high standards. He regarded the Treasurer's office staff not just as employees, but members of a highly dedicated, talented and professional team.

Following Mr. Bilafer's retirement, Alfred "Fred" Fantini, Assistant Treasurer served as Acting Treasurer and Collector of Taxes until the Town's annual election date in April 2006.

The Office of the Treasurer is responsible for the proper handling and management of all monies belonging to the Town. The office bills and collects all real estate and personal property taxes, motor vehicle excise, water and sewer accounts and miscellaneous departmental receivables. It also receives deposits from all departments that charge fees or receive revenue and assists these departments in the collection of delinquent accounts. Additionally, the office is responsible for investing all Town revenues. supervising short and long-term borrowings: managing the Town's relationship with the finance professionals who provide custodial, investment, and banking services to the Town; and determining cash management needs to meet vendor and payroll warrants.

### **Major Accomplishments**

In 2005, the Treasurer and Collector of Taxes' office continued to send out all bills for Real Estate, Motor Excise, and Water & Sewer on time, maintaining the lowest outstanding real estate and personal property taxes of any community in the Commonwealth. Also, the office maintained the standard that less than .02% of outstanding water be liened onto the real estate each year. In Fiscal Year 2005, that figure was \$51,127. The office was also active in borrowing funds for various purposes, including Symmes, Schools, Water & Sewer bonds, general obligation bonds, and, most notably, refinanced an outstanding loan to create savings for the Town. Additionally, the office created a website Treasurer's office (http://www.arlingtontreasurer.com/) where citizens can look up bill information for all amounts due the Tax Collector.

#### **Performance Measurements**

	F	Y 2004		FY2005
		Actual		Actual
Real Estate Bills Processed		60,000		60,000
Motor Excise Bills Processed		40,000		40,000
Water Sewer Bills Processed Liens from Water Sewer		25,000		25,000
deliquency (less than .02% of				
total commitment)	\$	69,766	\$	51,127
Lien Certificates processed		2,210		1,451
Lien Certificate revenue	\$	55,250	\$	36,500
Deputy Tax Collection revenue	\$	104,763	\$	118,529

# TOWN COMPTROLLER AND COORDINATOR OF DATA PROCESSING

In accordance with GASB 34, the Town accounts for its fixed assets on the balance sheet and, as of the fall of 2005, the Town's infrastructure is now shown on the balance sheet and the financial statements are updated accordingly. Upgrades to the MUNIS Software System, a comprehensive accounting application for municipal governments, were completed at the end of 2005. The Town's telephone system software and 911 was upgraded to be in compliance with the current version. The data processing department upgraded all its anti-virus applications and is in the process of upgrading the network infrastructure of the Town. The IT staff worked with the school IT staff to install a new education software program. The data processing department continues to upgrade personal computers and printers on a funds available basis.

### **BOARD OF ASSESSORS**

At the annual election held in April of 2005, Mary Winstanley O'Connor, Esquire, was re-elected for a three-year term to the Board of Assessors. At the organizational meeting of the Board of Assessors, Kevin P. Feeley, Esquire, was elected Chairman and James F. Doherty, MAA, was elected Vice Chairman.

In 2005, the Board of Assessors successfully completed the annual update of assessed values, meeting the requirements of the Department of Revenue.

The Board of Assessors committed 14,7435 real estate and personal property tax bills to the Tax Collector for collection for Fiscal Year 2006. These bills raised a total of \$73,525,801 in property and personal property taxes. The total assessed value of all taxable real estate and personal property for Fiscal Year 2006 was \$6,483,756,733, which resulted in a tax rate of \$11.34 per thousand dollars of assessed value. The board also committed over 40,000 automobile excise tax bills for collection of an estimated income of \$4,000,000.

The Board would like to extend its condolences and sympathy to the family of long time assessor Maurice "Bud" O'Connell, who passed away this year. Bud, affectionately known as the "Compassionate Assessor" served the town for over 20 years. The Board, as well as the citizens of Arlington, will miss Bud's wisdom, compassion, dedication, and guidance.

The Board would like to thank all taxpayers for their cooperation and the Assessing Office staff for their continued support and for a job well done in 2005.

#### Tax Abatement Overlay

State law requires that the Assessors put aside funds from each tax levy in a reserve that is called an Overlay. This account is established in anticipation that a certain percentage of the tax levy may end up being abated. Individual tax abatements are paid out of this fund. The final amount of the overlay account is determined by the Assessors and added to the tax rate without appropriation, and is usually set at anywhere from 1% to 2.5% of the tax levy. In revaluation years, which occur every three years, the overlay account is usually set at a higher amount in anticipation of an increased number of abatements. FY2007 is a revaluation year so the overlay account is set at \$900,000. In other years, the overlay is set closer to \$600,000. In FY2006, the overlay is set at approximately \$900,000 in anticipation of increased abatement activity due to sharply increasing values and the large tax increase due to the override. Any surplus left in an overlay account is appropriated by Town Meeting in much the same manner as free cash. Below is a chart showing the disposition of Overlay funds for the last three years. Prior to FY2003, the reserve balance from all prior fiscal years is \$151,713. From these reserve balances an additional \$400,000 is proposed to be declared surplus and be used in FY2007.

Tax Abatement Overlay Funds							
	FY2003	FY2004	FY2005				
Overlay Amount Date Declared Surplus To General Fund	\$644,504 \$357,502 \$200,000	\$937,031 \$382,891 \$350,000	\$591,196 \$285,897 -0-				
Reserved For Additional Liability	\$87,002	\$204,140	\$305,299

 Free Cash
 \$1,614,155

 Other Available Funds
 \$858,297

 Overlay Surplus
 \$400,000

 \$38,881,932

Amount to be Raised by Taxation

**Town Property Valuation** 

**Total Credits** 

\$73,525,801 \$6,483,756,733

Setting the Tax Rate: Divide the **Amount to be Raised by Taxation** by the **Town Property Valuation**, then multiply by 1,000

 $(\$73,525,801 \div \$6,483,756,733) \times 1,000 = \$11.34$
