*Urn Graves are approximately 3' x 3'. These areas can be used for as many as 4 cremations, but only one stone is allowed. If a government marker is placed on the site, no other marker is allowed.

**Disinterments are allowed only after a release is signed. When disinterment involves the removal of a concrete or metal container, the Funeral Director must also engage a vault company for the disinterment. Board of Health laws prohibits removals between May 15th and October 15th.
