Memorandum

To: Board of Selectmen, Arlington, Mass
From: Transportation Advisory Committee (TAC)
Subject: Bicycle Lanes on Park Avenue
Reference: ABAC Submittal to Board dated 3/8/10
Date: 17 March 2010

The TAC reviewed this suggestion by ABAC at its meeting on March 10th, and voted unanimously to support the recommendations.

These recommendations are in general below.

1. To stripe a shoulder line at about the width of a parking place from the curb in both directions;
2. To stripe bicycle lanes in both directions on Park Avenue from Park Avenue Circle to Wollaston Avenue;
3. Add signage if needed.

If accepted, TAC, ABAC and DPW will work out specifics prior to installation.

Respectfully submitted,

Ed Starr – Chair
