

Photography

Photographs of the interior and exterior of the library are allowed. The photographing of people is prohibited. Photographers should check-in with library staff.

The Director shall use his/her judgment in granting permission for the photographing of library art, except that

- (1). No pictures shall be taken without permission.
- (2). People should not be photographed.
- (3). Credit must be given to the Board upon publication of the authorized photographs.

Voted by the Board of Trustees 10/11/11
