Town Meeting

Arlington's Legislative body, Town Meeting, held its 208th Annual Meeting and a Special Town Meeting over the course of six sessions.

During the first night activities the State of the Town Address was given under Article Two as well as the traditional invocation. Each session thereafter started with the singing of the National Anthem accompanied by Town Meeting members Jane Howard and Kevin Greeley on the piano.

Warrant Articles

The 2014 Annual Town Meeting members made full accountability of their branch of town government a reality with the inaugural use an electronic voting tally and display system. The system was used throughout the meeting to electronically record the votes of each individual Town Meeting Member on various Articles and

Motions under those Articles. The votes were available for public review on the Town's website following the meeting. Not only were the citizens of Arlington able to see how their precinct representatives at Town Meeting voted, but which of them actually attended the meeting. The "clickers" (*calibrated legislator initiated counting by keystroke on electronic recorders*) were well received by the meeting members who expressed a desire to use them on every vote in future years.

Other Warrant Articles of note in 2014 was the establishment of a Poet Laureate for the Town as well as an amendment to the Bylaw to allow public street music performance, busking, in Arlington. Second water meters for irrigation were turned down as was an Article seeking to eliminate extracurricular program fees in the public schools. In keeping with the relaxation of State law regarding medicinal use of marijuana Town Meeting approved adding provisions for Medical Marijuana Treatment Centers under the Zoning Bylaws.

The Meeting also approved an Article to allow the voters to decide if they wish to subject themselves to the Community Preservation Act and its additional tax burden. During the Special Town Meeting a Home rule petition to the Legislature requesting five (5) additional All Alcohol restaurant licenses was approved.

Budgets

After a debate lasting three nights on the omnibus budget, the capital budget, and a multitude of warrant articles calling for other appropriations, a balanced budget of \$136,721,171 was passed. The Special Town Meeting approved an appropriation of for repairs to the Peirce School and it appropriated \$500,000 to be transferred from the Special Educations Stabilization Fund to the School Department.
