Present: Commissioners Michele Hassler, Bill McCarthy and Gloria Turkall,
DPW Director, Mike Rademacher and Cemetery Supervisor, Jason Jones

Meeting opened at 9:06am

Minutes for April 2015 was approved
Three (3) deeds signed

1. Mike Rademacher addressed the commission re:
 - a. discussed the architect meeting for Tuesday, May 19th for cemetery chapel improvements;
 - b. moving forward with the columbarium and what changes may need to take place. We could put out a new bid as early as June;
 - c. traffic barriers will be put up at Sachem and Henderson Streets to deter cut through traffic;
 - d. road work: drains were cleaned and bid should go out by the end of May for the paving. Bad areas will be torn up and regraded and the entire cemetery will be chip sealed;
 - e. discussed abandoning Oak Avenue. There is a drainage line there that is not working properly. Leach catch basin will be trialed there and if successful we will rip up the road and replace with grass. This would decrease the maintenance of the road.
