

LEARN:

- How prescription drug abuse and opioid addiction affects all members of our community.
- ► The facts about the disease of addiction, and the options for treatment and recovery.
- How you can be a part of the community response to long-term recovery.

Keynote Address:
Maura Healey
Attorney General,
State of Massachusetts

The event will also feature a panel discussion followed by a Q&A.

For more information, please contact lvy Laplante, Director of the AYHSC.
