

Arlington Vision 2020 invites you to:
Making Things Happen

brought to life by Arlington's improv ensemble: True Story Theater

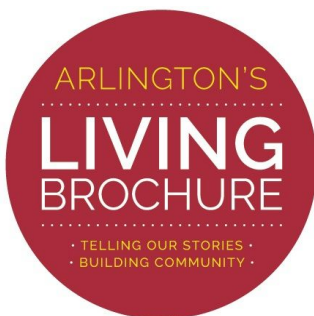

Thursday, January 28, 2016, 7:00 - 8:45pm
at Robbins Library, community room
700 Mass Ave, Arlington. Wheelchair accessible

What are the secrets of how things happen in a town? What would you love to see happen in Arlington? Has a volunteer project impressed you? A lot of projects start as an interesting idea, so come be inspired and maybe discover the next, neat Arlington thing. People who live in any town are welcome to attend.

This performance is co-hosted by Vision 2020 - a partnership of town residents, leaders, and employees working together. Vision 2020 is dedicated to ensuring that issues important to Arlington's future — both long and short term — are studied, acted upon and resolved through a timely process which is collaborative and fact-based, and whenever possible, creative and strategic as well.

All Welcome! Free Public Event

ARLINGTON'S LIVING BROCHURE • TELLING OUR STORIES • BUILDING COMMUNITY

Arlington's Living Brochure is a two-year project to create a more inclusive town through theater and the arts. See TrueStoryTheater.com for a schedule of performances and workshops.

Arlington thrives because of its volunteers. Come be one of them!

Arlington's Living Brochure makes visible the work of the town's volunteer committees, including Vision 2020, the Human Rights Commission, Sustainable Arlington, the Commission on Disability, the Diversity Task Group, Arlington Public Art, and others. This project is funded in part by the National Endowment for the Arts, with support from the Robbins Library, ACMi, and local artist Nilou Moochhala.
