

Arlington DPW Construction Projects

2011-2012 Handicap Ramp Program

Construction of Sidewalks and Wheelchair Ramps – various locations

Construction began on October 17, 2011.

The Department of Public Works, in conjunction with its contractor, ERA Equipment, LLC., will be performing work on select streets installing ADA compliant handicap ramps. This work will take place at the intersections of the following streets:

- **Broadway**
 - Sunnyside Ave
 - Bates Rd.
 - Damon Park
 - Wyman St.
- **Warren St.**
 - River St.
- **Compton St.**
 - Alton St.
 - Belton St.
- **Raleigh St.**
 - Everett St.
 - Grafton St.
 - Harlow St.
 - Oxford St.
- **Burch**
 - Dorothy
 - Edith St.
 - Osbourne Rd.
 - White St.
- **Parker**
 - Dorothy Rd.
 - Mott St.
- **Orvis**
 - Brooks Ave.
 - Freeman St.
 - Newcomb St.
 - Randolph St.

This work is being performed to improve accessibility to and along the streets of Arlington and will consist of the installation of ADA compliant ramps including detectable warning panels, level landings and transition areas to the existing sidewalks and grades. This work will also include modifications to existing curb lines, sidewalks and grass strips. Construction will progress until the Thanksgiving Holiday and will resume in the springtime.

As work progresses, informational flyers will be placed at abutting homes notifying residents of the upcoming work and detailing the anticipated impacts. During the times of construction activity residents should expect some on-street parking restrictions to allow for construction activities & equipment. The contractor will make every effort to keep inconveniences to a minimum and traffic police details will be present to aid in driveway access/egress and roadway safety. Residents are requested to observe on-street roadway postings and detour signs to aid traffic management efforts. Residents traveling through these areas should plan accordingly, allow for travel delays and should consider alternative routes when possible.

Further notices will be provided to abutters as necessary. Maynard Street Sewer Project updates will be posted online at arlingtonma.gov/dpwprojects.

The Department of Public Works would like to thank the residents of Arlington for their cooperation and understanding during this construction process.
