## **2011 Road Re-Surfacing Improvements – updated November 23, 2011**

The 2011 road re-surfacing projects have been completed. Due to scheduling issues the paving contractor; P.J. Keating, was not able to complete the entire list of improvements planned for 2011. The following is the list of streets completed for the 2011 Season.

Completed project areas include the following:

<u>Street</u>	<u>Status</u>
Nicod Street (Wollaston to cul-de-sac)	Complete
Ely/Wilbur (Appleton to Wollaston)	Complete
Appleton (Valentine to Wadsworth)	Complete
Spring Street (Repair)	Complete
Brattle Street (Dudley to Island at Summer Street)	Complete
Forest Street (Mass Ave. to Bow St.)	Complete
Park Ave. Ext. (Downing Sq. to Summer St.)	Complete
Appleton Pl. (Quincy St. to Burton St.)	Complete
Acton St. (Appleton St. to End)	Complete
Schouler Court	Complete
Ridge St. (Oakhill to Morningside)	Complete
Florence Ave. (Cliff St. to Park Ave.)	Complete
Homer Road.	Complete
Udine Street	Complete
Lancaster Road (Mass. Ave to Smith St.)	Complete
Arnold St. (Lancaster Rd. to Hibbert St.)	Complete
Hibbert St. (Woodbury to Boundary Rd.)	Complete

The following streets were anticipated to be completed during the 2011 construction season but were not completed due to scheduling conflicts. The following projects will be added to the paving list for the 2012 construction season:

College Ave (Mystic Street to Ridge Street)	2012
Dundee Rd. (Mass. Ave to Arnold St.)	2012
Arnold St. (Lancaster Rd. to Dundee Rd.)	2012
Williams St. (Arnold to Perth Rd.)	2012
Appleton St. (repair)	

*Forest Street (Summer St. to Park Ave. Extension)* In-progress  
*MassDOT project, see Forest Street project section*  
*at [arlingtonma.gov/dpwprojects](http://arlingtonma.gov/dpwprojects) for details.*

The Arlington Department of Public Works would like to thank the project abutters and residents for their cooperation and patience during this past construction season as well as an additional thank you to the officers of the Arlington Police Department and surrounding communities for providing the traffic management details that allowed for the successful and safe completion of these projects.
