## 2013 STORMWATER AWARENESS SERIES

---

### SESSION #7 – DEPAVING

The Town of Arlington Engineering Division is hosting a Stormwater Awareness Series open to residents of the Town of Arlington and the general public.

The series is designed to educate residents on Stormwater and the impacts on runoff, water quality, flood control and prevention, erosion and other stormwater related impacts within the Town of Arlington. Information will be provided by stormwater professionals for the purpose of increasing awareness of these issues within the Town and to provide information for residents to help understand how the surrounding environment affects, and impacts, the local water resources and what can be done to reduce these impacts.

The next presentation is scheduled to be held on June 11<sup>th</sup> 7:00 – 8:00 p.m. in the Selectmen's Hearing Room, Arlington Town Hall, 2<sup>nd</sup> floor. The session will include a presentation discussing **DEPAVING** followed by a question and answer session related to the presentation session topics.

**Session #7:** June 11, 2013  
7:00 p.m. – 8:00pm  
**Title:** DePAVE the WAY to a GREENER ARLINGTON  
**Speakers:** Lenni Armstrong & Cador Pricejones

Lenni Armstrong and Cador Pricejones have been making Somerville neighborhoods greener for the last three years by organizing depaving events through the Somerville Climate Action.

**Lenni Armstrong** is a scientific visualization professional and climate activist, who lives and works in Somerville. Her company, informmotion, specializes in eco-informatics. She is currently designing climate science interactives for Earth science students to be used in high schools nation-wide.

**Cador Pricejones** is production manager of Byggmeister, Inc., a 25-year-old design-build remodeling company based in Newton, MA with a particular focus on substantial reductions to household energy use.

The following is an outline of DePAVING presentation topics:

- Depaving video
- Benefits of depaving
- Before & After
- Climate change - global & local
- Stormwater Runoff
- Organizing the Depaving Party
- Asphalt Assessment, Tools & Safety
- Community Building

## **Future Presentations**

The 2013 Arlington Stormwater Series is planning additional sessions throughout the year. Below is the remaining 2013 schedule.
