2014 STORMWATER AWARENESS SERIES

SESSION #13: Stormwater – Keeping it Clean!

The Town of Arlington Engineering Division is hosting a Stormwater Awareness Series open to residents of the Town of Arlington and the general public.

The series is designed to educate residents on Stormwater and the impacts on runoff, water quality, flood control and prevention, erosion and other stormwater related impacts within the Town of Arlington. Information will be provided by stormwater professionals for the purpose of increasing awareness of these issues within the Town and to provide information for residents to help understand how the surrounding environment affects, and impacts, the local water resources and what can be done to reduce these impacts.

The next presentation is scheduled to be held on August 12th 7:00 – 8:00 p.m. in the Selectmen's Hearing Room, Arlington Town Hall, 2nd floor. The session will include a presentation "Stormwater – Keeping it Clean!" and will be followed by a question and answer session related to the presentation session topics.
