2014 STORMWATER AWARENESS SERIES

SESSION #15: Stormwater Management; Financing Options

The Town of Arlington Engineering Division is hosting a Stormwater Awareness Series open to residents of the Town of Arlington and the general public.

The series is designed to educate residents on Stormwater and the impacts on runoff, water quality, flood control and prevention, erosion and other stormwater related impacts within the Town of Arlington. Information will be provided by stormwater professionals for the purpose of increasing awareness of these issues within the Town and to provide information for residents to help understand how the surrounding environment affects, and impacts, the local water resources and what can be done to reduce these impacts.

The next presentation is scheduled to be held on December 9th 7:00 – 8:00 p.m. in the Selectmen's Hearing Room, Arlington Town Hall, 2nd floor. The session will include a presentation on "Stormwater Management; Financing Options" and will be followed by a question and answer session related to the presentation session topics.

Session #15:

December 9th, 2014

7:00 p.m. – 8:00pm

Title: Stormwater Management; Financing Options

Speaker: Julie Conroy, AICP, Metropolitan Area Planning Council

soak up the rain

JULIE CONROY, AICP, METROPOLITAN AREA PLANNING COUNCIL

Julie has served as a Senior Regional Planner in MAPC's Environmental Division since 2011. She assists MAPC managers in the implementation of Sustainable Communities programs and currently serves as project manager on the Regional Stormwater Funding/Utility Starter Kit to provide current information and tools regarding funding options that will improve water quality and quantity within regional watersheds. Ms. Conroy serves on the project team to develop a Regional Climate Change Adaptation Strategy; to prepare recommendations for local, regional, and state action to reduce vulnerability to future hazards and impacts of climate change. Ms. Conroy also serves as the Subregional Coordinator for the Minuteman Advisory on Interlocal Coordination (MAGIC).

Stormwater Management; Financing Options

The following is an outline of scheduled presentation:

- I. Stormwater Financing/Utility Starter Kit
- II. Stormwater Fee Strategies
- III. Stormwater Utility Analysis; Revenue versus Expenditure
- IV. Public Outreach & Education

Future Presentations

This is the last Stormwater Presentation for the 2014 Season. The Arlington Engineering Division will continue to plan additional presentations on topics and ideas important to the Town and residents. Please stay tune for future presentations and announcements. Updated information on these sessions will be sent by email via Town of Arlington Notices and posted online at arlingtonma.gov/engineering.
