Per Mike Rademacher via phone, construction for the columbarium should start early-mid August. Expected delivery of the columbarium should be the end of August. Dan suggested we contact Officer Conroy about a detail. Michele will do that closer to August, as well as contacting Mr. Bowes about clearing the road.

Commission discussed the moving of the Police Monument at the flower circle to allow for single graves. Both Brian and Michele had conversations with Captain Flynn. An option may be to make the first row urn graves. One tree will have to be removed. Discussion is tabled till next meeting.

Jean discussed the complaint of the broken vases on the headstone of CC-26. Family believes they were broken off from the landscapers. Jean sent an email to the supervisor of C&W Services and got no response back. Also discussed was the vandalism of flowers. There has been concern from 3 families regarding stolen flowers. Jean will contact someone at the police station to see if they have any suggestions.

Monthly tally was reviewed.

Meeting adjourned at 9:56 am

Next meeting will be August 10, 2016
