Town Meeting

Arlington's Legislative body, Town Meeting, held its 210th Annual Meeting over the course of seven sessions.

During the first night of activities the State of the Town Address was given as well as the traditional invocation. Each session thereafter started with the singing of the National Anthem accompanied by Town Meeting members Eric Helmuth, Jane Howard, or Kevin Greeley on the piano.

Warrant Articles

The 2016 Annual Town Meeting members continued the use of the electronic voting tally and display system, or, the "clickers" (calibrated legislator initiated counting by keystroke on electronic recorders). In another step towards modernization Town Meeting voted to amend the Town Bylaws to provide for the electronic distribution of the Warrant and all required notices and materials to Town Meeting Members in lieu of paper materials by U.S. mail. We also voted to provide email accounts for the exclusive use of Town business to members of the Board of Selectmen. School Commit-

tee, Finance Committee, Board of Assessors, Redevelopment Board, and other public bodies.

Another Warrant Articles of note in 2016 was the first use of Community Preservation Act funds. The CPA Committee presented five projects for funding study within it charge to acquire, create, and preservation of open space, historic resources; land for recreational and open space use; and support of community housing; and for rehabilitation or restoration of such open space and community housing. The CPA Committee shall make its final recommendations to Town Meeting for approval.

The Meeting turned down a host of proposed zoning bylaws, but it did approve the new Mixed Use business concept through the Business Districts. Mixed use provides for a combination of two or more distinct land uses, such as commercial, lodging, research, cultural, artistic/creative production, artisanal fabrication, residential in a single multi-story structure with the aim of trying to maximize space usage and promote a vibrant, pedestrian-oriented live-work environment.

Budgets

After a debate lasting two nights on the omnibus budget, the capital budget, and a multitude of warrant articles calling for other appropriations, a balanced budget for Fiscal Year 2017 expenditures totaling \$148,752,350.00 was passed.

In a major vote, the Meeting approved the new \$144,922,478.00 Minuteman Regional Vocational School District high school building, with the hope that the District may receive from the Mass. School Building Authority at least 44.75% of the cost of the project. The concern in the debate was the effect this would have on our budgets and possibly a new High School for Arlington itself.
