The Finance Committee was established by vote of the Town over a century ago on March 7, 1895. Article 33 provided for the selection of a "committee of twenty-one", which would consider all articles in the warrant involving an appropriation of money and "make report thereof in print, with their estimates and recommendations for final action of the town....."

Arlington's Finance Committee, however, was not the first in the state. According to the Massachusetts Finance Committee Handbook, "The Finance Committee's beginning was the action of a group of citizens of Quincy in 1870, who created themselves a committee to restore financial order." In 1910, the legislature required finance committees for every town "whose valuation for the purposes of apportioning the state tax exceeds one million dollars." Chapter 39, Section 16, also provided that any other town may "by by-law provide for the election or the appointment and duties of appropriation, advisory or finance committees, who shall consider any or all municipal questions for the purpose of making reports or recommendations to the town...."

In Arlington, the duties and responsibilities of the Finance Committee are stated in the Town Manager Act, Sections 31-35, and in the Bylaws, Title I, Article 7. Finance Committee members must be registered voters of the town. They are appointed by a three-member committee composed of the Moderator, the chairman of the Finance Committee and the chairman of the Board of Trust Fund Commissioners.

Under Section 4 of Article 7 of Title I of the Bylaws, the Finance Committee "shall consider all articles contained in any warrant except articles on zoning...and those articles which do not require or request an appropriation of money...said committee shall make recommendations, and shall report in print, if possible at or prior to each town meeting, but the omission of said committee so to consider, recommend and/or report shall not affect the validity of any vote or other action at any town meeting. The committee shall also make such general suggestions, criticisms and recommendations, as it may deem expedient. Nothing contained in this section shall preclude the Committee from considering, if it sees fit, articles which do not require or request an appropriation of money."

**AVAILABLE FUNDS** -- See Unencumbered Funds

CHERRY SHEET – A formerly, cherry-colored form showing state and county charges and reimbursement to the Town as certified by the State Director of Accounts.

**ENTERPRISE FUNDS** -- Funds that account for all revenues and expenditures for services and allow surpluses to be used to reduce user fees for the services or to pay for capital improvements. Each fund has an independent budget. Losses are made up from the Town's general fund. Presently, Arlington has enterprise funds for Council on Aging Transportation, Recreation, Veterans' Memorial Rink, Water & Sewer and Youth Services.

**FISCAL YEAR** -- July 1 through June 30.

FREE CASH -- See Unencumbered Funds.

**OVERLAY** -- Funds set aside to cover abatements and exemptions. The amount is determined by the Board of Assessors.

**OVERLAY RESERVE** -- Unused accumulated amount of Overlay for previous years that is not required to be held in a specific Overlay account for a given year. Once released by the Board of Assessors, the funds may be used for any municipal purpose.

**RESERVE FUND** -- A fund established by the Annual Town Meeting. It is under control of the Finance Committee, which may authorize transfers for extraordinary or unforeseen expenditures. The fund may be composed of an appropriation of not more than 5% of the tax levy for the preceding year.

**STABILIZATION FUND** -- A special account created to provide a reserve for municipal expenditures. Transfers into and out of these funds require a 2/3 vote of Town Meeting.

**SURPLUS REVENUE** -- The total amount of cash, accounts receivable, and other current assets that exceed liabilities and reserves.

**UNENCUMBERED FUNDS** -- The amount of surplus revenue, minus uncollected taxes of prior years. Unencumbered funds must be certified by the State Bureau of Accounts before they can be used. This is also known as Free Cash or Available Funds.

#### REPORT OF THE CHAIR OF THE FINANCE COMMITTEE

The Town is now entering the seventh year since the last tax override in 2011. The plan has worked well not only because of the successful override and the caps on Town spending, but also because of the successful implementation of legislation allowing towns to enter the State Group Insurance Commission ("GIC") to cover their employee health insurance.

The main goal for the last few years has been to delay and reduce the size of the deficit and the tax limit override that would be needed to maintain services. However, the school enrollment increases have continued to impact Town budgets. To deal with this, the Long Term Planning Committee and the Finance Committee are proposing to leave the school general fund allowable increase at 3.5%, leave the special education increase at 7% and continue the enrollment increase allowance from last year. For the last several years the allowance for additional students was 25% of the per pupil cost as determined by the State. This was increased last year to 35%, and the change has been made retroactive to fiscal year 2014. This will allow for a 6.57% increase in the school appropriation. See Appendix D for a breakdown of projected revenue and expenditures. Because of decreased projections in some expenses and larger free cash balances, the first deficit is still projected to be in fiscal year 2021, but unless state aid increases at a higher level, more will have to be done in the future to reduce that projected deficit to a manageable level.

Under this policy, the Finance Committee, in cooperation with other Town officials, proceeded to move ahead with the fiscal year 2018 budget. Both the Town Manager and School Superintendent presented budgets within the limits agreed to by the Long Term Planning Committee as described above. Our initial revenue projections were based upon levels agreed to by various Town officials and local aid as recommended by the Governor and later modified by the House Ways and Means Committee. The Finance Committee has been working since mid-January reviewing budgets and warrant articles and examining the revenue projections for next year. After the House Ways and Means Committee reported their recommendations on April 12<sup>th</sup>, we fine-tuned the numbers, and went to print with the Finance Committee Report, making it available to you as soon as possible.

We have thoroughly reviewed all of the budgets and kept them within the guidelines agree to by all parties in the Long Range Planning Committee. We have continued to fund the long term stabilization fund and the Other Post-Employment Benefits Fund (OPEB) to protect our credit rating and provide for the Town's long term financial health. We continue to increase the snow and ice budget and reserve fund to prevent snow and ice deficits and are also recommending the addition of funds to the Override Stabilization Fund as promised to the voters to postpone the need for future tax increases. As you can see from Appendix D, this will be the last year that we can make contributions to the fund. Next year we will begin withdrawing funds to balance the budget. We will continue to monitor revenues and expenditures with other Town officials to keep future budgets balanced.

In addition to the impact on the operating budget, the school enrollment increases are having a substantial impact on the capital budget. Increases in the number of students have used up spare classrooms, and projections show continuing increase over the next 5-10 years. Fortunately, the voters stepped to the plate last June and approved debt exclusions for the Thompson Elementary school, the Gibbs Middle School and the feasibility plans for the High School. The Capital budget is providing funds for the additional classrooms at the Hardy Elementary School. The Thompson School's

additional classrooms were approved by Town Meeting last fall and are currently under construction. You will be asked to take action on the Hardy and Gibbs school reconstructions in this Special Town Meeting.

In closing, we need to emphasize the importance of controlling appropriations in the fiscal year 2018 budget. In the fall of 2016, when we last issued Town bonds, the Town maintained its high AAA rating from Standard and Poor's, which rates the Town's bonds. We accomplished this because we have a multi-year revenue and expenditure plan, a capital plan with strong support from Town Meeting, a strong reserve position and continued funding of the retiree health insurance fund. We cannot use any more of the Town's reserves without jeopardizing the Town's future financial condition and forcing an override sooner than currently projected. The voters must know that the Town can control expenditures and maintain a balanced budget. We need to continue to utilize conservative financial practices if we are to maintain our high credit rating, which lowers interest costs for future bonding and keeps faith with our promise to the voters.

As in past years, we ask for your support in keeping the budgets balanced. We have allocated revenues as prudently and fairly as possible. Proposed increases must be balanced by reductions elsewhere. As always, we are available to answer any questions you may have.

Respectfully submitted,

Allan Tosti, Chair Arlington Finance Committee

- (8) That the provision of Article 3 of the January 25, 2016 Special Town Meeting providing that any proceeds of sale up to \$1,000,000 of an asset of the Town identified as a Building and Lot located at 1207 Massachusetts Avenue Parcel Id. ### RESCIND BORROWING AUTHORIZATIONS FROM PRIOR YEARS

To see if the Town will vote to rescind the authority to borrow, from prior years' authorizations, the amounts remaining with regard to any numbered prior Annual and/or Special Town Meeting Warrant Articles; or take any action related thereto.

(Inserted at the request of the Town Treasurer)

**VOTED:** That the Town hereby rescinds \$17,000 in the following individual

amount that had been authorized to be borrowed, but which is no longer

needed for the purposes for which it was initially approved:

Amount Rescinded Date of Approval, Article, Statute Project

#### **ARTICLE 36**

#### APPLICATION OF BOND PREMIUM

To see if the Town will vote to supplement each prior vote of the Town that authorizes the borrowing of money to pay costs of capital projects to provide that, in accordance with Chapter 44, Section 20 of the General Laws, the premium received by the Town upon the sale of any bonds or notes thereunder, less any such premium applied to the payment of the costs of issuance of such bond or notes, may be applied to pay project costs and the amount authorized to be borrowed for each such project shall be reduced by the amount of any such premium so applied; or take any action related thereto.

(Inserted at the request of the Town Treasurer)

**VOTED:** That the Town supplements each prior vote of the Town that authorizes

the borrowing of money to pay costs of capital projects to provide that, in accordance with Chapter 44, Section 20 of the General Laws, the premium received by the Town upon the sale of any bonds or notes thereunder, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to pay project costs and the amount authorized to be borrowed for each such project shall be

reduced by the amount of any such premium so applied.

COMMENT: Because of a change in State law, the Town must vote to use premiums (extra

amounts paid by the buyer of the bonds) against project costs which will result in the reduction in the amounts needed to be borrowed for authorized projects.

This action will reduce the amounts borrowed for authorized projects.

#### APPROPRIATION/PUBLIC ART

To see if the Town will appropriate a sum of money to fund the selection, acquisition, maintenance, and placement of public art at multiple locations in Arlington, including consultant fees, said sum to be raised by the general tax and expended under the direction of the Town Manager; or take any action related thereto.

(Inserted at the request of the Town Manager)

**VOTED:** That no action be taken under this article

COMMENT: Appropriations for this purpose are included under Article 45.

#### ARTICLE 38 APPROPRIATION/ZONING BYLAW RECODIFICATION

To see if the Town will appropriate or transfer a sum of money to fund support of a comprehensive recodification of Arlington's Zoning Bylaws, including payment of legal, consultant, expert, and technical review fees in furtherance of such review and/or comment; or take any action related thereto.

(Inserted at the request of the Town Manager)

**VOTED:** That the sum of \$55,000 be and herby is appropriated for Recodification

of Town zoning bylaws, said sum to be raised by general tax and

expended under the direction of the Town Manager.

COMMENT: This process will be taking place over the next six months. \$15,000 of this

expenditure will be for advertising the proposed revised bylaws and the balance for the hiring of a consultant for the recodification. The proposed

changes will be voted on by Town Meeting in the fall of 2017.

#### ARTICLE 39 APPROPRIATION/PARKING OPERATING COSTS

To see if the Town will appropriate or transfer a sum of money to fund appropriate operating costs of new parking equipment and measures from the Special Revolving Parking Fund established under Article 7 of the October 2016 Special Town Meeting; or take any action related thereto.

(Inserted at the request of the Town Manager)

**VOTED:** That the Town does hereby approve the following expenditures from the Parking Fund:

Projected Fiscal Year 2018 Meter Revenue \$425,000

Offset to Parking Budget 13 \$45,848
Offset to Parking Enforcement Budget 20 56,437
Parking meter operations 172,479

Projected expenditures \$274,764

Available balance for other parking related expenditures to be approved by a future Town Meeting \$150,236

COMMENT: The Finance Committee is committed to the primacy of Town Meeting review of Town expenditures whether it is through the budgets, warrant articles, enterprise funds or revolving funds. The establishment of the Parking Fund last fall and the move to create a parking district has complicated this review, because the funds can be spent without appropriation. The Town Manager has committed to a public process and the bringing of these expenditures before Town Meeting, but that obviously does not commit a future administration. The solution is the creation of a Town bylaw that establishes this requirement and sets up the process. Unfortunately there is no article in the current warrant that allows this to happen within its scope. Therefore the Finance Committee is recommending the above motion to allow Town Meetings review and approval of the known expenditures for next year and return at the next Town Meeting with either a bylaw or other procedure in conformance with Department of Revenue guidance that spells out the approval process and any further expenditures.

- b. appropriates into said fund the sum of \$155,000 representing the increased share of retiree HMO contributions as voted by the Board of Selectmen on November 6, 2006; said sum to be raised by the general tax.

(Inserted at the request of the Town Manager and the Capital Planning Committee)

COMMENT:

Over the course of several months in the fall of 2016, the School Enrollment Task Force, (SETF) meeting under the direction of the Town Manager and the Superintendent of Schools, performed an extensive review of current and forecast population growth in the Hardy School district. SETF relied on updated information from the McKibben demographic study, from analyses of the potential impact of any development of the Mugar property performed by the Town Planning Department and by an independent study commissioned by Arlington Public Schools, and a study performed by HMHF Architects. Based on this information, in December 2016, SEFT recommended the expansion of six classrooms and related accessories at the Hardy, which has resulted in this capital request. The expenditure will be funded through the Town's non-exempt tax rate and is included in the FY 2018 – FY 2022 Capital Budget and Plan.

Action is being recommended at this Special Town Meeting for both design and construction for the Hardy Elementary School in order to ensure that the project is completed for the opening of school in September 2018.

#### **ARTICLE 4**

#### APPROPRIATION/CAPITAL BUDGET/ GIBBS SCHOOL RENOVATION

To see if the Town will vote to appropriate a sum of money for renovation, temporary or permanent, at the Gibbs school building, determine how the money shall be raised and expended, including the possibility of borrowing all or some of the same; or take any action related thereto.

Any premium received by the Town upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

COMMENT:

Following a recommendation by the School Enrollment Task Force (SETF) the Board of Selectmen voted to include this project in Question 1 on the debt exclusion referendum held on June 14, 2016. Voters overwhelmingly supported the question 7,196 in favor, 2,505 opposed. The sum of the earlier appropriation and the \$24,450,000 in additional costs, at \$27,000,000, is coming in slightly higher than the amount the Town anticipates that the Mass Department of Revenue will authorize to be excluded from the limits of Proposition 2½. The Town expects to fund these non-excluded amounts through the savings achieved by the Permanent Town Building Committee on the Stratton School project and other resources in the Capital Plan.

Action is being recommended at this Special Town Meeting for reconstruction of the Gibbs Middle School in order to ensure that the project is completed for the opening of school in September 2018.

### TRANSFER OF FUNDS/SPECIAL EDUCATION STABILIZATION FUND

(Inserted at the request of the Arlington School Committee)

**VOTED:** That the sum of \$335,795 be and hereby is appropriated to the

Arlington Public Schools fiscal year 2017 budget said sum to be transferred from Special Education Stabilization Fund, said fund established in accordance with the provisions of the General Laws, Chapter 40, Section 5B, as amended, or other appropriate provisions

of law.

COMMENT: This appropriation and transfer will be used to meet unanticipated

increases in this year's special education budget.

The Finance Committee recommends that the sums be appropriated to defray obligations, outlays, and expenses for the Fiscal Year ending June 30, 2018 to be raised by general tax except as otherwise specifically voted, and expended;

Individual Sub-Budgets to be voted separately.
