Completion time: Approximately November 15, 2017

Construction days and hours: 7:45 P.M. - 6:15 A.M. Sunday thru Thursday

Please note that this work will take place at Night:

What you can expect during construction.

Typical natural gas main replacement and service construction includes:

- Marking out underground utilities within the project scope area (e.g., water, sewer, gas, electric, etc)
- Temporary or permanent restoration of disturbed areas in accordance with the town ordinance
- Every effort will be made to keep overnight noise levels at a minimum.

We're here for you if you have any questions about the project. Please call us at **781-907-3804**. Thank you in advance for your cooperation.

Sincerely,

Thomas Finneral
Acting Director of Construction NE
