The Minutes of the Arlington Cemetery Commission
October 11, 2017

Present: Commissioners Michele Hassler, Bill McCarthy, Brian Hasbrouck,
Meeting opened at 9:08 am
Approved minutes from September 13, 2017
Six (6) deeds were signed

Door discussion was tabled until November meeting

CPA update: 2 people bid and Ray Dunetz was awarded the bid.

Michele met with Kevin Duffy and went over the stonework at the Old Burying Ground. Ivan Myjer confirmed that work done by Kevin will not interfere with the update by Ivan. Kevin will need to keep him updated on the work done. Kevin will continue to fix stones at Mt. Pleasant Cemetery.

Discussion was had about street signs in the cemetery; how many, where and what color. It was suggested they be a dark background with white lettering. Bill will come up with some suggestions next month.

Benches; the bench that is missing on Center Ave. should be replaced as it was a good protection for the stones. Discussion was had about placing a bench where the columbarium is.

A request for boulders to be placed on the EE section side of the road was discussed. Cars parked on the side of the road seem to be parking on the flat markers of the urn graves. Boulders placed on the GG were an experiment and we should explore other options. Perhaps posts with chains?

We discussed road markers for snow.

Monthly numbers were reviewed

Meeting adjourned at 10:12 am.
Next meeting will be November 8, 2017.

Respectfully submitted
