## 05/18/2013 Agenda

Arlington Public Art  
 Town Hall Annex, First Floor Conf. Room, 9 AM  
 May 18, 2013 AGENDA –

1. Heights Bus Depot mural and proposed letter
2. Feast of the East
3. Mass Ave Infrastructure - Stephanie
4. Arlington Cultural Commission
5. proposed Fund for Public Art
6. projects for 2014
7. Chairful – where are we now?
8. Inviting new Economic Development Officer to our meeting
9. New business

Please review these outcomes from our Jan. retreat. Let's see how we are doing.

Where would we like to be in three years?

- To have a fund for public art, possibly from Community Development Block Grant
- To have a staff person/people to administer programming
- To have a real address, possibly a physical presence at Town Hall
- Social media well-addressed
- Sub committees
- More formal committee structure
- Town funding/town backing
- Consistent documentation of projects, system to evaluate the success of the projects
- Trademark annual events, like Chairful
- Solid annual fundraising
- Permanent public art in parks, playgrounds (non-memorial!)
- Town Hall and Library exhibit spaces that are well lit and well publicized
- Education component with each project we create – involve schools, artist talks, community events that make each project accessible and move people beyond their traditional understanding of the place of art in their lives.
- Cooperative with many groups in town
- Business community sees true benefit and commits to sponsoring public art
