CONSTABLE

HOW TO VOTE BY ABSENTEE BALLOT

Reasons for voting absentee

You may vote absentee if you are registered and will be unable to vote at the polls on Election Day because of

Absence from the Town
Physical disability
Religious beliefs

Illegal absentee voting is punishable by a fine of up to \$10,000 and up to five years in prison.

Applying for an absentee ballot

You must apply for an absentee ballot from the Town Clerk no later than noon of the day before the election. Applications may be mailed or hand delivered and you may use any form of written communication (letter or postcard) or the official application form.

Include on the application

Your name as registered
Your registration address
Precinct, if you know it
The precise address to which you wish the ballot sent
Your own signature

Requesting to vote by mail

A ballot will be sent to any address you specify including your own home. Be sure to apply early because the ballots must be sent by mail and may be returned by mail or hand delivered.

Requesting to vote in person

If you prefer, you may request to vote in person before Election Day. You may vote at the Town Hall before Election Day at a time arranged with the Clerk, but application for your ballot must be made no later than noon of the day before the election. A voter may apply for an absentee ballot and then vote over-the-counter during the same visit.

Applying to vote if you are absent from the state, in the armed services or a prisoner

Registered and unregistered residents of Massachusetts outside the state and residents on active duty in the armed forces and merchant marine and their spouses or dependents, and prisoners, may vote absentee. They may request an absentee ballot from the Town where they legally reside (if outside the U.S., where they resided last before leaving). In addition, a close relative may apply on their behalf in person at the Town Clerk's Office.

A parent of a registered voter who is a student at a Massachusetts college or university may apply for an absentee ballot on the student's behalf to the Town Clerk where the student is registered.

In all cases, unregistered voters must register in person when they return to the state, since this does not establish permanent registration.

What if I am permanently physically disabled?

If you are permanently physically disabled and cannot cast your vote at the polling place, you may file a letter from your physician with the Town Clerk, stating that you are permanently unable to cast your vote at the polling place because of physical disability. A completed application for an absentee ballot, for you to sign and return, must be mailed by the Town Clerk to you at least 28 days before every primary and election.

NOTE: Voters who are admitted to a health care facility after noon of the fifth day before an election may apply for an absentee ballot up until the polls close on the day of the election (rather than noon the day before the election) and must designate a person to hand deliver and return the absentee ballot.
