2020 Special Town Meeting Consent Agenda

When the Consent Agenda comes up I will read through all of the Articles on the Consent Agenda. If you wish to have a particular Article removed use the Raise Hand feature on your Zoom screen and I will remove the Article. We will take one vote on the consent Agenda as a whole. The recorded vote for each Article will be the recommended vote in the appropriate reporting Committee or Boards' report or the motion of the Articles proponent. The Votes will be recorded as a vote on each individual Article. I have chosen Articles for the Consent Agenda that I believe to be noncontroversial Articles and which I anticipate will have no debate. If there is an Affirmative recommended voted on an Article then there is really no need to remove an Article from the Consent Agenda if you merely wish to discuss the Article or the perceived benefits of the Articles.
