Part One: Request for Qualifications to Trade Contractors

Section I: General Information

A. Introduction

This Request for Qualifications of filed sub-trades (“RFQ”) is a two-phased procurement process as set forth in M.G.L. c.149A, §8. The Town of Arlington Prequalification Committee (PQC) is prequalifying firms interested in providing public Trade Contractor services. The PQC will evaluate submitted Statements of Qualifications (“SOQs”) based upon the identified evaluation criteria and points set forth in Section VI below and only those firms obtaining the required minimum points will be deemed prequalified. Only those respondents deemed prequalified will be invited to submit a bid in response to a Request for Bids (“RFB”) which will be issued in the subsequent phase of the procurement process of field sub-trade contractors. The project delivery method for construction will be Public Design, Bid, Build Construction Manager at Risk under M.G.L. c.149A, §8.

C. Trade Contractors to be Prequalified

This RFQ seeks firms interested in providing Trade Contractor services on the Project in the trades identified in the table below. Interested Trade Contractors in the categories identified in the table below are invited to submit a Trade Contractor Statement of Qualifications (“SOQ”) to the Awarding Authority. Trade contractors in the various trades will be prequalified either on a trade by trade basis, in phased, in groups of trades, or all at once depending on the project needs and phasing.

Trade Contractors seeking prequalification for this project MUST submit a commitment letter stating its ability to obtain bonding for 110% of the estimated trade contract value for the particular Trade Contract from a surety company licensed to do business in the Commonwealth or appearing on the U.S. Treasury Department Circulate 570. The selected Trade Contractors on this Design, Bid, Build (Construction Manager at Risk) project will then be required to provide payment and performance bonds for the full value of their subcontracts and Trade Contractors must include the cost of these bonds in their bids.

Section II: Detailed Project Description

The project is a renovation and new construction of an existing Department of Public Works facility for the Town of Arlington, Massachusetts. The existing site consists of a number of public works facility buildings, including four (4) masonry buildings, salt shed and fuel facility. The site is listed on the National Register of Historic Places since 1985. The site was formerly known as The Arlington Gaslight Company, which is within a historic industrial complex on 51 Grove Street in Arlington, Massachusetts. The site is a large scale example of industrial architecture, built for a local fuel company in 1914. The former power station occupies a significant portion of the back section of the property and is a prominent local example of Romanesque Revival architecture, with corbelled brick on its cornices, terracotta tile roof and other unique historical features. The facility is currently occupied by the Department of Public Works, Inspectional Services Department, municipal fueling station and parking for school buses.

The existing site is approximately 4.4 acres, which is comprised of four (4) existing buildings. Building A, the original Arlington Gas Company fronting Grove Street, was originally constructed in 1914, with an interior remodel completed in 1977. The building is an existing two-story, 8,400 SF structure and currently resides Inspectional Services, Department of Public Works administration and vehicle shop storage functions. Building B was also constructed in 1914, with a 1926 addition and also renovated in 1977. This building is a two-story, 5,400 SF brick masonry building and currently serves the Department of Public Works, engineering offices and support spaces. Building C is an accessory building and was constructed in 1977, not included in the historic designation. This building is a one-story, 6,400 SF brick masonry utility building, used to store Department of Public Works vehicles and equipment. Building D is an original historic three-story structure built in 1914, with subsequent additions in 1926, 1927 and 1977. The current size of the building, with the additions included, is 20,150 SF. The building currently serves the Department of Public Works vehicle maintenance operations, workshop spaces and equipment storage.

The proposed project development includes the rehabilitation of buildings A, B, C and D. Within these buildings, the end users will be revised and/or relocated from their existing facility or workspaces. This includes relocating the Information Technology and Facilities Department within these existing facilities. Inspectional Services is currently residing within Building A and will be relocated into the new construction Building E. A new ground-up Department of Public Works building is being proposed within the site development (Building E). This building will be comprised of administrative office space, employee facilities, Town Engineering, maintenance shops, storage and an automated vehicle wash bay. The proposed new building is approximately 34,350 SF, excluding any mezzanine support/storage space and consists of a two-story administrative office space fronting along Grove Street. Additional new site development features will include a new 6,000 SF gambrel arch salt shed structure, located to the rear portion of the site. A new and upgraded municipal fueling station will be located at the southeast corner of the site. Provisions will be made for a new and upgraded town resident recycling drop-off center. The adjacent high school playing field is to be acquired and incorporated into the Department of Public Works facility site development. This will facilitate additional staff parking on the site, as well as provide a safe and direct pedestrian and vehicular access connection to the high school.

The project will be built within two (2) construction phases commencing in the Spring of 2021 with an overall anticipated duration of approximately twenty-four (24) months. Phase 1 will be approximately sixteen (16) months and include the renovation of Building A, ground-up

construction of Building E, salt shed and municipal fueling station. Phase 2 will be approximately eight (8) months and include the renovations of Building B, C & D. The Town of Arlington is utilizing the construction delivery method in accordance with MGL CH 149A with Commodore Builders as the construction manager.

The project will be subject to the minimum wage rates set under the Massachusetts Prevailing Wage Laws.

Drawings, specifications, and other documents will not be available to respondents during the RFQ phase.

Pursuant to M.G.L. c. 30, §39S(a)(2) all employees to be employed on the Project must have successfully completed a course in constructions safety and health approved by OSHA and of at least 10 hours in duration. All Trade Contractors on the Project will also be required to provide written certification of compliance with applicable workforce related laws, including, Executive Order 481, Federal Department of Homeland Security Requirements, and laws relating to worker classification, workers' compensation, and applicable laws related to taxes and insurance.

Section III: General Instructions

In response to this RFQ, interested Trade Contractors are requested to submit a Trade Contractor RFQ Interest Form (attached hereto) and required to submit a Statement of Qualifications ("SOQ") application package as follows:

A. Contents of Statement of Qualifications Application Package

The required SOQ application consists of the following:

E. Review/Availability of Contract Documents

Drawings, Specifications and other documents will not be available to respondent Trade Contractors during the RFQ Phase.

F. Additional Instructions

See Section VII: Additional Information for additional instructions regarding the prequalification process.

Section IV: Overview of Prequalification Process

- This Request for Qualification (“RFQ”) is issued pursuant to M.G.L. c.149A, §8. Firms interested in providing Trade Contractor Services for the construction of the project described in Section I and Section II (“the Project”) MUST submit a Statement of Qualifications (“SOQ”) in response to this RFQ to the Awarding Authority as instructed in Section III and Section VIII, herein.

- The Trade Contractor selection process for this Design, Bid, Build (Lump Sum) is a process as set forth in M.G.L. c.149A, §8. The project delivery method for construction will be under M.G.L. c.149A, §8. The PQC is prequalifying firms interested in providing Trade Contractor Services for the Project through this RFQ prequalification process.

*****IMPORTANT NOTICES*****

Participation in the RFP Bidding Phase of this Project will be limited to ONLY those Trade Contractor firms who have submitted a SOQ (and required supporting documentation) in response to this RFQ and that have been deemed prequalified by the Awarding Authority.

Trade Contractors that fail to respond to this RFQ and fail to submit an SOQ with the required supporting documentation by the Submission Deadline set forth in Section I, and Trade Contractors that have not been deemed prequalified by the Awarding Authority shall be automatically disqualified from bidding on this project.

*****IMPORTANT NOTICES*****

Section V: Administration/Schedule for Prequalification Process

- A. “Two-Phase” Selection Process** - Selection of Trade Contractors for the Project will be conducted in a two-phase process as set forth in M.G.L. c. 149A, §8. Trade Contractor firms must first be prequalified in the *Phase One – RFQ/Prequalification Phase* in order to bid on the Project in *Phase 2 – RFB/Bidding Phase*.

1. Phase One – RFQ/Prequalification Phase

- **Submission Of Statement Of Qualifications (“SOQ”)** - Interested Trade Contractor firms must submit a completed *SOQ*; completed *Schedules A through M*, and all required supporting documentation referenced therein in response to this *RFQ* by the *Submission Deadline* set forth in *Section I*.
- **Prequalification Committee** –The Awarding Agency will appoint a *Prequalification Committee* to review and evaluate the *SOQs* (and

supporting documentation) submitted by interested Trade Contractors. The *Prequalification Committee* shall consist of a representative from the Project Designer; a representative from the Construction Manager At Risk firm; and two (2) representatives appointed by the Awarding Agency.

- **Evaluation By Prequalification Committee** - The *Prequalification Committee* shall meet as necessary to evaluate and review the *SOQs* (and supporting documentation) submitted by each respondent Trade Contractor firm in accordance with the evaluation criteria set forth in *Section VI*.
- **Notice To Respondent Trade Contractors** – The names of the Trade Contractor firms responding to the RFQ will be posted in a Register of Responders but there will be no public opening of the *SOQs* submitted in response to the RFQ. Upon completion of the evaluation and review process described herein, the *Prequalification Committee* will provide written notice to all respondent Trade Contractors as to whether they are deemed prequalified or not. Prequalified Trade Contractor firms shall also be invited to participate in *Phase Two*, the RFB/Bidding Phase of the Trade Contractor selection process.

2. Phase Two – RFB/Bidding Phase

- Trade Contractor firms determined in *Phase One* by the *Prequalification Committee* to be prequalified will be invited to bid on the Project. **Only firms deemed prequalified during Phase One – RFQ/Prequalification Phase will be permitted to participate in Phase Two, the RFB/Bidding Phase. Firms that are not prequalified by the Prequalification Committee and firms that do not participate in the RFQ phase will be precluded from participating in Phase Two - the RFB Bidding/Phase.**

Section VI: Evaluation Procedure/Criteria for Prequalification Selection

A. Sources of Information Considered

Respondent Trade Contractors must submit documentation for the four (4) statutory evaluation criteria categories listed herein. Prequalification will be based on the submitted information and materials as well as information on prior project performance, information obtained from references, information obtained from governmental agencies and entities, information contained within DCAMM's certification files, and such other information as may be obtained relating to the evaluation criteria categories. The *Prequalification Committee* may also request and review additional information as necessary to clarify or supplement the information provided to or obtained by the Awarding Agency.

Do not include superfluous material. Respondent Trade Contractor must include the Trade Contractor Statement of Qualifications Form, Trade RFQ Form 3 and *Schedules A through M* attached hereto. Respondent Trade Contractor must give complete and accurate answers to all questions and provide all of the information requested. Making a materially false statement in this SOQ submission is grounds for rejection and debarment.

B. Evaluation Procedure

As set forth herein and in accordance with M.G.L. c. 149A, §8, the Awarding Agency has established a *Prequalification Committee* for the purpose of reviewing and evaluating responses to this *RFQ*. The *Prequalification Committee* shall evaluate interested Trade Contractors based on the evaluation criteria set forth herein and assign points for each evaluation criterion category and subcategory provided herein. The *Prequalification Committee* shall prepare a written evaluation score form for each respondent Trade Contractor that provides a composite point rating and a specific point rating for each of the evaluation criterion set forth in M.G.L. c. 149A and herein. The *Prequalification Committee* shall only prequalify those Trade Contractor firms that have achieved the minimum points required in each category set forth herein and a minimum total score of seventy (70) points.

Only Trade Contractor firms achieving the minimum score required in each evaluation category set forth herein, as well as a minimum total score of seventy (70) points overall shall be prequalified and invited to submit bids consistent with M.G.L. c. 149A, §8(a)-(f). An interested Trade Contractor's score shall be made available to the Trade Contractor upon request but is not a public record.

The decision of the *Prequalification Committee* shall be final and shall not be subject to appeal except on grounds of fraud or collusion.

C. Criteria for Prequalification

SOQs must be submitted on the *Trade RFQ Form 3* attached hereto. Interested Trade Contractors submitting a *SOQ* and supporting information in any other form

will not be prequalified. The *Prequalification Committee* shall review and evaluate the information submitted by interested Trade Contractors in accordance with the statutory point scheme set forth in M.G.L. c. 149A, §8(e). Also in accordance with §8(e), the RFQ shall set forth the available points for each evaluation sub-category in order to provide interested Trade Contractors prior notice of the points available in each sub-category. Section VII: Additional Information

A. Status of Request for Qualifications

This *RFQ* is solely a request for information. It does not represent an offer nor does it confer any rights on any respondent Trade Contractor. The Awarding Agency shall not be responsible under any circumstances for any costs incurred by any respondent Trade Contractors in responding to this *RFQ*. The Awarding Agency reserves the right to cancel this procurement at any time if it is in its best interest to do so.

B. Treatment of Information Submitted

With the exception of the required Update Statement and financial information, the Awarding Agency shall have no obligation to treat any information submitted by an interested Trade Contractor in or in connection with a *SOQ* as proprietary or confidential unless the Awarding Agency determines that the information legitimately requires such treatment. In such case, the Awarding Agencies obligation with respect to protection and disclosure of such information shall at all times be subject to applicable laws. The Awarding Agency shall have the right to use all or portions of the *SOQ*, as it considers necessary or desirable in connection with the Project. By the submission of a *SOQ*, the respondent Trade Contractor thereby grants to the Awarding Agency an unrestricted license to use the *SOQ*, including all materials submitted therewith, in connection with the project.

C. Communication Between the Awarding Agency and Respondent Trade Contractors

Unauthorized communications or contact between Trade Contractors, their employees, agents or other related entities interested in submitting a *SOQ* and the awarding agency, the project designer, the project manager, the construction manager at risk firm or any other person or entity participating on the Prequalification Committee with regard to the Project are strictly prohibited. The only authorized communications shall be 1) inquiries to the Awarding Agency for general information about obtaining the RFQ, RFQ submission deadlines, and the existence of any relevant addenda to the RFQ; and 2) inquiries made at any official RFQ Informational meeting and/or site visit held by the Awarding Agency. If applicable, the official RFQ Informational meeting will be held at the date(s) and time(s) set forth in *Section I*.

Any issues brought to the Awarding Agencies attention at the Pre-RFQ Informational meeting, which the Awarding Agency determines will require additional clarification will be addressed by issuing a written addendum. Oral and other clarifications will be without legal effect. All such addenda will be considered part of this RFQ, and the respondent Trade Contractor shall be required to acknowledge receipt of all addenda on the RFQ Proposal Response Form attached to this RFQ. The Awarding Agency will mail addenda to all respondent Trade Contractors that have mailed or faxed an RFQ Interest Form, *Trade RFQ* Form 1 to the Awarding Agency or have received the RFQ directly

from the Awarding Agency. It shall be the sole responsibility of the respondent Trade Contractor to ascertain the existence of any and all addenda issued by the Awarding Agency.

From the date of issuance of this RFQ, any respondent Trade Contractor that contacts directly or indirectly any member or employee of the Awarding Agency, or the project designer, or the project manager, or the construction manager at risk firm, or any member of the *Prequalification Committee* in connection with the selection process or the contract contemplated herein for this project is subject to disqualification. Contact is permitted for the purpose of obtaining a copy of this RFQ or to submit a verbal or written question or request for clarification at the RFQ Informational meeting as set forth in *Section I*.

Respondents that currently do business with the Town of Arlington, the project designer, owner's project manager or members of the prequalification committee are to keep communication limited to that business.

- PHONE CALLS WILL NOT BE ACCEPTED -

Any issues brought to the Awarding Authority's attention, which the Awarding Authority determines will require additional clarification will be addressed by issuing a written addendum. Oral and other clarifications will be without legal effect. All such addenda will be considered part of this RFQ, and the respondent Trade Contractor shall be required to acknowledge receipt of all addenda on the RFQ Proposal Response Form attached to this RFQ. **The Awarding Authority will e-mail addenda, if any, to all respondent Trade Contractors that have submitted the RFO Interest Form (Sub RFO Form 1) to the Awarding Authority.**

Trade Contractors interested in submitting a Statement of Qualifications (SOQ) for this project must fill out the attached Trade Contractor RFQ Interest Form immediately and return **via E Mail it to The OPM - dm@sydneympm.com**. This form is to be submitted BEFORE the submission of the Trade Contractor's SOQ to the RFQ.

Firms that have not returned the Trade Contractor RFQ Interest Form WILL NOT be included on distribution of future correspondence (addenda) regarding this RFQ.

The Trade Contractor RFQ Interest Form shall be submitted **via E Mail to Awarding Authority's Contact (OPM – dm@sydneympm.com)** as indicated in this RFQ. The Statement of Qualifications ("SOQ") with all required forms, attachments, supporting documentation and information submitted in response to this RFQ, must be either **emailed to dm@sydneympm.com or an electronic flash drive can be hand delivered** or mailed to The Owner's Project Manager at the address listed above and be received by the time and date set forth in the RFQ.
