I. COVID-19 Vaccine Updates

- a. As of March 11, 213 Arlington residents, age 75+ have been fully vaccinated through HHS run clinics.
- b. All interested residents of AHA senior housing buildings have received their first dose of Moderna vaccine, which happened door to door in each building last week. 2nd dose vaccinations for Senior Housing Residents will likely happen the first week of April.
- c. There is currently a clinic scheduled for March 17 where 100 additional age 65+ vaccine appointments will be scheduled.
- d. We have compiled a list of almost 100 homebound residents who are interested in receiving the vaccine. We are looking to acquire the Johnson & Johnson vaccine for these individuals and are aiming to complete these vaccinations beginning in a few weeks.
- e. Thanks to a grant from MAPC, we have been scheduling taxi rides for Arlington residents who are able to secure a vaccine appointment outside of Arlington.
- f. Thanks to a grant received through Mass Service Alliance, we have a group of trained volunteers who are assisting residents with navigating online websites to secure vaccine appointments.

II. Updates on Programs/Services

- a. Almost 50 Chromebooks and 21 hot spots have been distributed to older adults in town as a part of our Technology Lending Library program. Mt. Auburn Hospital provided the funding for additional hotspots, which went out almost immediately upon our receipt of them.
- b. Virtual programs are robust and still growing: Irish Step Dancing had a vibrant group on March 10 and "Brains and Balance" class filled up on the first day our newsletter went out. "Fashion and First Ladies" zoom has been scheduled for April.
- c. As the weather improves, we are excited and looking to add some program options that are held outdoors in small groups such as low-impact exercise classes, craft groups and movie events.
- d. We received 18 applications for our annual Elderly and Disabled Tax Relief program this year. The committee will be meeting Tuesday 3/23 to decide awards. Our Senior Property Tax Work off program and Harry Barber program is full with 25 participants and all have begun accumulating their volunteer hours.

III. Dementia Friendly

- a. We are forging ahead with the steps to get Arlington designated as Dementia Friendly. All are welcome to attend our "Dementia Friends" training on Friday 3/19 from 11am-noon. COA staff and other town groups and staff will be in attendance.
- b. Our first van driver attended a Dementia Friendly training for van drivers class and spoke highly of what he learned.
- c. COA Social Work Intern, Ashley Cheetham, is updating the printed resource guide for Older Adults in Arlington. We are excited to have this updated and ready for

distribution by the time we reopen. Updating this guide assists with both Age Friendly and Dementia Friendly goals.

- d. Ashley also included an article in our March newsletter “Dementia: What You Should Know”
- e. Our complete Age Friendly/Dementia Friendly Action plan is due by late June.
- f. We applied for a grant from the I’m Still Here Foundation and have been selected as a finalist. Our final grant application is due by April 15 and will ask for funding to provide remote exercise classes for residents with dementia and their caregivers.
