## 2021 Annual Town Meeting

### Consent Agenda

When we reach the Consent Agenda I will read through all of the Articles listed below. If you wish to have a particular Article removed use the RAISE HAND button on the Voting Portal and I will remove the Article. However, if the Recommended Vote on an Article is *No Action*, I will inquire if you have a Substitute Motion and ask that you provide it. We will take two electronic votes. The first on the Majority Vote Articles and the second on the 2/3rds Vote Articles. The recorded vote for each Article will be the recommended vote in the appropriate reporting Committee or Boards' report. The Votes will be recorded as a vote on each individual Article.

I have chosen Articles for Consent Agenda 1 that have either a: *No Action* recommended Vote; Finance Committee Articles that we fund each year as a matter of course; Articles which I anticipate will have no debate; or that are housekeeping Articles which we pass each year by a unanimous vote. The Articles on Consent Agenda 2 Finance Committee Bonding Articles that we pass each year as well as ARB Zoning Articles which I anticipate will have no debate.

I urge you to not remove Articles from the Consent Agenda if you merely have a question of a Town Official. Please contact the appropriate Department Head in advance and get your answer.
