

Dear Resident,

You are receiving this letter as you are an abutter to the Town of Arlington Public Works Facility Project.

Previously in the Summer of 2021, we sent you an initial abutter notice, which summarized the Public Works Facility Project at 51 Grove Street.

Now we wanted to notify you of a possible disruptive activities of the ongoing project. Starting around February 14, 2022 ground improvement drilling will commence. You may hear noise and/or feel vibration. The anticipated duration of this work is approximately one (1) month concluding approximately March 14, 2022.

**Follow Project Progress**

A summary of this project and subsequent monthly construction updates may be found at Town of Arlington website at [arlingtonma.gov/projects](http://arlingtonma.gov/projects).

You may also receive monthly construction updates via Town of Arlington Notices (emails sent by the Town on a variety of Town related updates). If you are not subscribed to Town Notices and would like to receive our monthly construction notices **via email please contact Dan McSweeney (Sydney Project Management) at [dm@sydneypm.com](mailto:dm@sydneypm.com)**.
