There is a strong concern in our Menotomy Rocks Park area neighborhood regarding the crosswalk located at the intersection of Highland Avenue and High Haith Road. This is a much utilized crosswalk by children, residents, dog walkers, and visitors to Menotomy Rocks Park. As neighbors, we feel cars are not stopping reliably enough at this crosswalk for pedestrians waiting to cross. We feel it is unsafe for our residents and for visitors to the neighborhood. Below are the signatures of neighborhood residents who would like to place this issue before the Transportation Advisory Committee (TAC) of Arlington for review and action to enhance the safety of the above-mentioned crosswalk.
