Subject: Re: ZBA - 10 Sunnyside Request for Waiving of Fees

Hi again Christian,

The Town of Arlington will again waive all fees associated with permitting, except those fees associated with water and sewer. I agree this will demonstrate strong local support for this particular project, and will amount to over \$100k in savings to the applicant.

I will note we are unable to waive any costs associated with public safety details, if and when required. It is not clear whether that is contemplated by the request, but I wanted to call this out specifically.

Thanks,

Jim
