- Building B Mechanical Room New Electrical Service to be Completed
- Building D Fire Protection Rough to be Completed and Firestopping to Commence at Level 3
- Building D Electrical and Fire Protection Rough to be Completed at Level 1
- Building D HVAC Install Ongoing
- Sitework Install Remaining Curbing at Northwest Corner at Grove Street
- Sitework Demo Existing Sidewalk at Building B

PUBLIC IMPACTS:

- During sitework, trucks will be entering and leaving the site regularly
- Selective weekend construction
- Public access to food composting bins to be retained

STAY INFORMED

Construction updates will be provided monthly and posted at:

arlingtonma.gov/projects

They will also be included in Town of Arlington Notices (email). You may subscribe to Town Notices at: arlingtonma.gov/connect

CONSTRUCTION DETAILS

Phase 2 includes the renovation of Buildings B, C and D. Also, the Brook Culvert will be lined and access between Buildings A and B will be reworked.

CONSTRUCTION SAFTEY

The health and safety of the community and workers on-site are of the highest priority. There will be continuous air monitoring and dust control in place with misters. Commodore safety department will undertake regular safety visits.
