

Town Meeting Candidate Statement Submission Form

Candidates for Town Meeting are invited to submit a brief statement that will be compiled and published on the Elections page of the Town website (arlingtonma.gov/elections). Your participation allows you to introduce yourself to voters in your precinct and explain why you want to serve on Town Meeting.

Statements are limited to 1500 characters (approximately 225-250 words). Suggested topics include your connection(s) to Arlington, your experience relevant to service in local government (including prior service on Town Meeting), issues in town (especially those likely to be addressed in the Warrant) that are important to you, and/or anything else that you feel will help you connect with voters.

Optional, but recommended, is to include contact information so that voters can follow up with you if they have specific questions. We will publish phone number, email or both if you provide them for this purpose. If you submit electronically, you don't need to submit paper form.

Town Clerk Staff publish exactly what you submit. It is strongly recommended that you submit using the online form or email your information to reduce errors reading hand-written statements. If you do not include your contact information on the form or in the email, it will not be added to your statement.
