Following are the vital statistics of the Town for 2023, which were recorded at the time the report was submitted. It should be noted, however, that the summaries of births and deaths are incomplete because re-

cords pertaining to Arlington residents may be delayed by clerical issues at hospitals or corrections at the state level that take several weeks to finalize.

Vital Statistics	2021	2022	2023
Births	425	457	407
Deaths	365	364	351
Marriages	150	152	164

There were two elections in 2023: the Annual Town Election on April 1st to elect officials and Town Meeting representatives and a Special Town Election on November 7th with two ballot questions. For both elections, the Board of Registrars and Select Board voted to allow in-person early voting in the Town Clerk's Office. Postcard applications were mailed to all voters to make it as easy as possible for voters to request a mailed ballot. In addition, the postcard for the special election alerted voters to the reason for the special election and the questions on the ballot.

The Clerk's Office is primarily responsible for providing information to residents and voters on the Elections & Voting page and the Town Meeting page on the Town website. In addition to re-designing the layouts to be more readable on cell phones, an "About Town Meeting" page with several related documents were added to help residents better understand Town Meeting and how warrant articles are submitted.

A staff member participated in evaluating and beta-testing new software developed by the Secretary of the Commonwealth, Elections Division to replace the existing voter registration database used by all communities to maintain census and voting records. Implementation of the new software is expected in 2024.

In 2024 Assistant Town Clerk Janice Weber retired after 26 years of service and Denise Houser was named the new Assistant Town Clerk. Christopher Tierney and Alicia Hill joined the Department.

#### REGISTRARS OF VOTERS

- Conducts the annual Town census by mail.
- Updates lists of voters, potential jurors, True List of Persons, children eligible for Kindergarten in the next year.
- · Registers voters.
- Certifies signatures on nomination papers or petitions.
- Assists the Town Clerk hand counting provisional ballots after Election Day.

The Board of Registrars consists of three persons appointed by the Select Board after being nominated by one of the two major political parties and the Town Clerk. They traditionally oversaw all matters pertaining to voter registration and they conduct of the Town census, but currently delegate those matters to the staff in the Town Clerk's Office and meet as needed for hearings, recounts, audits, and to count the ballots received in the mail from overseas voters for state elections. In 2023 Donnarose Russian was appointed to the Board and later resigned to serve as the Chair of the Town Republican Committee. Ralph MacDonald was appointed to fill that vacancy.

The Registrar is a staff member in the Town Clerk's Office who is primarily responsible for voter registration and related matters. The Registrar updated systems for processing census forms and did extensive follow-up to reach voters whose registration had been inactivated when they failed to return the 2023 Annual Town Census. The Registrar was also invited to participate in testing the Secretary of the Commonwealth's new voter registration website that is expected to be implemented in 2024.

Voter registration in Massachusetts continues to evolve and in 2023 the Registrar continued to manage the interactions of registration procedures and vote by mail. Because a voter could return a ballot by mail in one community and then move to another community, registration changes near any election require careful review. If a voter moved to a new town and registered to vote there after the voter registration deadline, the new town could not give them a ballot for the current election and the previous town couldn't count their returned vote by mail ballot because their name no longer appeared on the voter list.

Massachusetts recognized three political parties in 2023. During the primary elections conducted in 2024, three ballots will be printed: Democratic, Republican, and Libertarian. When registering to vote or updating registration, voters may choose to enroll in one of the recognized parties or they may indicate they are unenrolled in a party. Unenrolled voters must choose which party ballot they want to vote in a primary election. Further, an unenrolled voter may designate their affiliation with any of the unrecognized parties.

#### Summary

Acceptance of the Special Act as requested by Town Meeting would provide income-based local property tax relief for eligible residents over 65 years of age who own and occupy homes worth less than the median assessed value, and qualify for the State "circuit breaker" income ceiling under G.L. c. 62 section 6(k).

If accepted, the Select Board shall annually set the amount of relief for qualifying seniors subject to two constraints. First no qualifying resident may have their tax obligation reduced by more than 50 percent, and second, that the Town's total tax relief under the program cannot be greater than 1 percent of the fiscal year's total residential property tax levy for the Town.
