

ATTENTION NIGHT WORK 11 PM TO 6 AM

48 HOUR PRE-NOTIFICATION

As part of the continuing effort from the Town of Arlington to improve your sewer system a post construction flow isolation procedure will need to be completed. The work needs to be done at night and during low sewer usage hours. The work involves a crew to open manhole covers in order to place volumetric weirs into the sanitary sewer pipe so that an instantaneous flow reading can be recorded. This work being performed is a warranty inspection which will be done on your Street or an adjacent Street and your home will not be affected by this work but may experience moderate noise from the equipment being used.

DATE: 4/1/2024 to 4/3/2024

TIME: 11PM to 6AM

If you have any questions regarding any of the work being done, do not hesitate to talk to the onsite foreman.

Onsite Foreman: Jordan Viau 508-717-1738

Superintendent: Peter Ferreira, 617.212.7739
