

Arlington High School Building Project

AHS Construction Update – April 25th, 2024

Arlington HS Construction Schedule: April 2020 – September 2025

Construction Details

Phase 1 and 2 construction is complete and all parts of the new school are finished except for the athletics wing. The new Menotomy Preschool and new district offices are also complete. Phase 3 has begun where part of the old school will be demolished. Those areas are closed off from the existing school during the next phase of construction.

COVID-19 Update

The health and safety of the community and workers on-site are of the highest priority and were taken into consideration in all project-related decisions. The Town of Arlington continues to monitor all state and federal guidelines regarding best practices during this unusual time and will modify recommendations as necessary to maintain safety and health for our community and construction workers.
