Request for Proposals #24-16
Trash & Recycling Collection and Hauling

ADDENDUM NO. 4

The attention of Proposers is called to the following Addendum to the Request for Proposals. The items set forth herein, whether of omission, addition, subtraction, or clarification, shall be included in and form a part of the proposal submitted and shall become part of the Contract.

Extension of Proposal Deadline

The deadline for proposals is hereby extended to **10:00 a.m. on Wednesday, July 24.**

Clarification Regarding Prevailing Wages

The Prevailing Wage Schedule provided in the RFP is the most recent schedule available from the Department of Labor Standards (DLS). This schedule should be considered instructive, and bidders should use their best judgment to forecast a price proposal that accounts for any prevailing wage rate increases, with the understanding that the Town will make any necessary adjustments to comply with any subsequent prevailing wage rate schedule once it is published and made available by DLS.

Questions

1. Question: Are the 96 gal toters (760) for the schools/condos/municipal buildings supplied by the Town, or is the Contractor expected to provide them?
Answer: These toters are to be provided by the Contractor. See Section 8.1.1 and Exhibit C of the RFP.
2. Question: Arlington has an organics drop-off program. How is the material stored?
Answer: Arlington's organics drop off program is not a part of the RFP. Proposals are sought for a Curbside Organics Collection Program. See Section 10 of the RFP.

All other terms and conditions of the Request for Proposals remain unchanged.

ADDENDUM MUST BE ACKNOWLEDGED IN THE PROPOSAL. FAILURE TO ACKNOWLEDGE ANY OR ALL ADDENDA COULD RESULT IN REJECTION OF YOUR PROPOSAL AS NON-RESPONSIVE.

James Feeney
Town Manager
