VISITORS: Director of Assessments Bob Greeley, Retirement Board Administrator Rich Grecco, Retirement Board Chair John Bilafer (by phone), Transportation Advisory Board Members Jeff Maxtutis, Elizabeth Carr-Jones, 200<sup>th</sup> Anniversary Committee CoChair Roly Chaput, Selectman Annie LaCourt

MINUTES of 2/5/07 accepted as printed. Unanimous.

ART64 REVALUATION: Greeley explained that state law requires the listings of all properties to be updated every 9 yrs by interior & exterior inspection. Arlington must complete by 2009. He plans to carry out in summer of '07 & '08 using contractor. Cost expected to be \$25/residence & \$40/personal property. His office will do the valuation based on the revised listings. VOTED \$325k as requested and as included in 5 yr plan. Unanimous

ART26 PENSION FUNDING PROGRAM: Bilafer proposes to extend the fully funded date for the pension program 3 yrs and use the funds freed up annually, \$300k to \$400k, to fund the retiree health care program. Home rule legislation would force these funds to be used in this way. Extensive discussion. There is really only one liability. This action would not apply more funds to total liability. No one knows what the rating agencies will do. Bilafer believes that this action will protect Arlington's bond rating. VOTED no action on Art 26 & Art. Unanimous.

ART 56 PENSION ADJUSTMENT: Bilafer stated that this annual article is intended to protect the pensions of retirees w/ at least 25 years of service by tying their pensions to the corresponding active employee. Annual cost \$36k. VOTED favorable action. Unanimous.

ART 57 TRANSFER OF HEALTH CARE FUNDS: Bilafer proposed transferring all funds from the recent 5% increase in retiree health care payments, \$155k, along with the Medicare reimbursement, \$350k, and the reduction in non-contributory retirement payments, \$310k, to a temporary Health Care Stabilization Fund. Several members believe this fund should be controlled by the Treasurer. Sense of meeting vote to pursue this idea.

ART 51 GEORGE STREET SIDEWALK: Maxtutis & Carr-Jones stated that the TAC would like to see the short private way section of this street used by parents when dropping off their children at the Dallin School become a public way with a sidewalk. They believe this would improve safety. Currently students are not supposed to walk on

this street. The sidewalk cost, \$10k, would be in the DPW budget. No survey has been done. The 4 abutters have not agreed to donate their land. Some members suggested that children would be safe if they obeyed the signs & walked around. Deferred action pending more information.

ART 59 200<sup>th</sup> ANNIVERSARY COMMITTEE: Chaput, using a handout, reviewed the activities already done & upcoming plans including the funds raised. He requested \$6200. Although supportive, the FinCom requested a printed fiscal status report.

ART 18 DATA PROCESSING DEPT: LaCourt wants the IT functions of the Comptroller's office, 4 employees, to be transferred to a new department under the Town Manager. She is negotiating w/ the Superintendent to include the school IT functions. She proposes a senior manager. She expects this reorganization will reduce duplication and provide better service to all departments. Jones to draft a statement of support for what will be a BoS article.

COMMITTEE: Next mtg Monday 2/26/07. Schools hearing 4/4.  
RESERVE FUND BALANCE: \$350,000
