PARK CIRCLE FIRE STATION

Chief McEwen recommended that we purchase an antenna system for the Park Circle Fire Station recommended by Motorola. This equipment will be purchased off the state contract list and does not require us to go to bid. The installed price will be \$53,000. The committee unanimously supported the chief's recommendation. All the members expressed their delight at the workmanship and color coordination by Elizabeth Contracting and the Carell Group at the fire station.

The following invoices were unanimously recommended for payment:

Briggs Engineering	Invoice #36430	\$	122.80
Carell Group	Invoice #2005-08-0014	\$	4,630.71

DALLIN SCHOOL

The committee unanimously voted to pay Castagna Construction the balance of \$32,000 due on the final invoice. This money was held due to incomplete work on the punch list which has been satisfactorily completed.

Meeting adjourned at 9:00 p.m.

Respectfully submitted,

Bill Shea
